

From Balalaika, Devil and Dana came many of the Water Dogs of today — Argo sadly did not contribute — a big loss to the start of the British Portuguese Water Dog.

The first

Cartmel litter was born 5th October 1982

Glenwhin litter was born 23rd October 1983

Both litters being sired by Devil.

Devil and Dana were from the last litters bred by Dr Cabral

Arco was from the first litter bred by Carla Molinari
